“ *To Sue and family,
My fondest memory of Billy was many years ago when he was crazy enough to take Mary and I on a road trip with He and Sue from maryland to Florida to visit Sue's Aunt in their motor home. What a fun filled few days on the road and a rainy night in the camp grounds all of us had. Billy, would ask for a drink and of course I'd jump up to get it for him. Little did I know that he would always ask me for 4 ice cubes every time and I'd get it for him Sue and Mary would tell me to stop it that he would expect them to do the same but Billy knew they wouldn't do it and I would! Also he got the biggest kick when he would stop for gas and he would come around the to open the door and all three of us would make such a big deal out of him holding our hands to help us down. We would laugh so hard when we pulled out because mostly the men would smile at him. Yes, we were his harem! Thanks Billy and Sue for this fun memory!
We will miss you friend!
Our love and prayers go out to my sweet friend Sue!

So sorry for your loss. Bill was a good and loyal friend and co-worker. He was always friendly, always with a smile on his face and never spoke badly of anyone even though his skills outdistanced most. He was a welcome part of so many of our careers and his loss will be felt deeply by us all.
