“ *Please take comfort in the knowledge that God has made a provision for those lost to us in death. The Bible says, "this is the will of my Father, that everyone who recognizes the Son and exercise faith in him should have life, and I will resurrect him on the last day,"(John 6:40). Jesus gives us hope in the fact that one day our dead loved ones will be brought back to life. So while we greive now for those lost in death, the best is yet to come!*

“ *Bill will truly be missed. He came up to visit me when I was in the hospital the first part of the year to check to see if he could do anything for me or my family. My desk was just outside his office door for the last several years. We would always give each other a hard time when the other one was out of work. If he was not at work by 6:30 every day I started wondering if he was going to be in for the day. Bill hired me as a technician over 30 years ago and was always willing to pass along his knowledge to whomever needed it, never heard him tell anyone no. I never heard him raise his voice at anyone, he was a TRUE GENTLEMAN and dedicated to AVX. Rest in peace my friend, you can never be replaced.*

“ We send prayers and condolences to the family.

I met Billy in the fall of 1980. He has been a mentor, a teacher, a colleague, and most importantly a friend. He will be missed. Cub Scout camp-outs at Huntington Beach, Golf League outings, sales trips to Asia, or just a cold beer at Applebee's - Billy always had a warm smile, a hearty laugh, and kind words for everyone.

Many will miss a valued co-worker. So many of us will miss so much more. So sorry we cannot be there with you on Sunday. We will be in prayer,.

*The Lord bless you
and keep you;
the Lord make his face shine on you
and be gracious to you;
the Lord turn his face toward you
and give you peace.*
