“ Linda,  
You and Billy have been such an inspiration to us. Your love for our Lord Jesus has been modeled in your love for each other and for your brothers and sisters in Christ at Loris First Baptist. Billy always exhibited such a quiet, humble spirit, but I could always tell when the wheels were turning in SS, and when he did say something, you knew it was well worth listening to.  
I so enjoyed our visits to your home. Billy could get really animated talking about his lawn mower. That man did love to mow grass!! LOL and he had plenty of it to keep him busy.  
Billy was a truly blessed man. I can't determine who was more blessed, him for being given you, or you for being given him as life partners. I can hear Billy now saying that he was definitely the one who came out ahead in that department. He absolutely adored you. We will miss his quiet strength and that beautiful, warm smile of his. He was truly an man of few words, but his actions spoke volumes. We love you and will continue to lift you up in prayer. We're here for you if you ever need anything...**ANYTHING!!**  
Love,
