“ *Elijah and Delois, I just learned that Mrs. Capps has ended her journey here but is now on a better one. I know you will miss her so very much. I still miss my precious mother every day. I remember Mrs. Capps as a sweet person. Every time I saw her, that big smile was on her face. I share tears with you. Delois, you can't imagine how much you are thought of with wonderful memories (my best friend), and Elijah, you are right there, too.*
