“ *Ms. Virginia,  
This is Tom, Bobs friend and Electrician. I am so sorry to hear of his passing. I had tried to call several times. Bob was a great man and we had a very good and long friendship. I loved talking with him and enjoyed his straight forward candor. Easy to learn from a man of his stature. I feel fortunate to have known him. I will miss our conversations as I know you will. If you need anything feel free to contact me at any time.*
