“ *To know him was to love him. Bob was a character! Always making
people smile and laugh. Bob, Linda and my parents (David and Sue
Miller) were good friends since I was a very young girl. We have
many many wonderful memories of times spent with them. One
favorite past time was eating! And Bob did love to eat! Bob, we'll
see you in heaven some day. Linda, John and Leann... I'm sorry for
your loss. I love you and you are in my prayers.*

“ Bob and I were pretty close when we were young, since we went to same Church, attended same Youth Group, Same School for 1st thru 12th and our Mothers and Fathers were always close. His Dad would have a Chicken Stew every year at the end of tobacco season and always invited us. His parents were Wonderful people. I have a picture of a Birthday party Bobs Mother gave him when were were very young. Lots of his friends were invited. Brings back memories.

Linda, you and the family are in my prayers.

“ Our family will always remember Bob for his joyous laugh and caring personality. We have many dear memories shared with he and Linda and the family, many of them funny. But it was such a blessing to serve the Lord with them while attending church together when they lived here in NC. Sending our love and prayers to Linda, LeAnn and John and family during this difficult time. Looking forward to the day that we can all that know Christ as our Savior will see Bob our dear friend again.

*Your NC friends,
David and Sue Miller*
