“ Tammy, I was so sorry to hear about the passing of your Mother. Losing my Mother in January was the hardest thing I've ever had to deal with so I know exactly what you're going through. Not a day goes by that I don't think of her and morn her not being here. A mother's bond is so strong...it is just amazing. All I can say Tammy is that she is with God now and that is wonderful. Not for you and your family, who have to miss her, but for her, who now has everlasting peace with her heavenly Father. Whenever you feel alone, just talk to her and she'll still be with you. Prayers and love, Donna and Jack Keese###imported-begin##Donna Keese###imported-end##
