“ FOOTPRINTS IN THE SAND One night I dreamed I was walking along the beach with the Lord. Many scenes from my life flashed across the sky. In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints. Other times there were one set of footprints. This bothered me because I noticed that during the low periods of my life When I was suffering from anguish, sorrow, or defeat, I could see only one set of footprints. So I said to the Lord, "You promised me, Lord, That if I followed you, you would walk with me always. But I noticed that during the most trying periods of my life There have only been one set of prints in the sand. Why, When I have needed you most, you have not been there for me?" The Lord replied, "The times when you have seen only one set of footprints Is when I carried you." We are sorry to hear about the passing of Mr. Bobby. He will be missed. Know that he is in Heaven with good companyDanny, Mrs. Shirley, & Andy. Love Always, Linda, Lee, Dannie, Jody, Missy, & Brady Johnson##imported-begin##MELISSA JOHNSON##imported-end##
