“ *Dear Helen and Stephen, My heart goes out to you both. I know you loved Bobby and will miss him very much. I have many memories of him. Guess I've know him almost my whole life. Helen, that three week courtship lasted 52+ years. From being tossed high in the sky to rides in the MG, Bobby provided Johnny and me many wonderful memories. Johnny's visit to Bobby's home was one that lasted him a long time. I still have the pictures to prove it. Who knew anyone could take that many pictures of pigs! Bobby was a wonderful addition to our family. My thoughts and prayers are with you now as you greive. I love you both. Judy*###imported-begin###*Judy E. Renfro*###imported-end##
