“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as the comfort found in God's word the bible. Romans 5:12 says, "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Dear Chris, My thoughts are with you and your family during this time. Your father was a good man, with very good deeds done during his lifetime. His contributions to the Shriners Children's Hospital, and his love of family define the memory of him most vividly. Like my Grandfather, he made the Watts name strong. These two men made us proud of this family through their deeds of charity to those less fortunate, both recognized and unrecognized Christian acts. Bobby will not be forgotten.
