“ Bonnie was very special! She was the first kid to welcome me into the class at pine street in the 4th grade when I moved to Walhalla. I think every young boy must have had a secret crush on her. Friendly and outgoing and fun to be around. After graduation from WHS most of our class seems to have lost touch with each other. I am sad at her passing. My condolences to the whole family. May she be at peace! Sincerely, Bobby##imported-begin##Bob Zetwick##imported-end##
