Miss Bonnie, May you rest in peace with your beautiful Daughter now, I met Crystal a week before she passed, she was at a party at the beach where I live with some friends and back then Conway in Myrtle Beach people didn't get along, but Crystal was so funny and so responsible, everyone was drinking PJ juice and she said, I can't drive with her southern accent, I have to go back to Conway and I'm not risking that, so responsible she was, I wish I would have got to know her more. I'll see y'all in Heaven. Dario' from the Beach Ciao 🌴🌞🌊

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

*You worked so hard to bring Bonnie closure and peace. However, I feel that since 1991, this was the only closure she desired- to start anew with Crystal. God bless Bonnie and God bless you, Mr. Knowles.*

“ *Bonnie Faye was a great lady and loved  
everyone. She is gone but not forgotten. She  
loved wearing her blue jeans and her short  
shorts. I believe she is rejoicing today  
because she is reunited with her precious  
daughter. I will always remember the smiles she would have when  
we would take her a mess of fish. She would always say "boy, what  
a pretty mess of fish. I am gonna cook theses now. If you catch  
more than you want I'll shore take them"! She was a blessing to us.  
I will cherish the fond memories of her until we meet again. (Terry
