“ Maryann,Debbie & Family Lenny and I would like to express our deepest sympathy on the loss of your father BB. He was a good friend to the rest of the In-Law family especially Lenny & I. We will miss him but he will always be in our hearts. The memories that we have shared throughout the years will be everlasting. Our prayers are with the entire family. April, Chris, Allison & Cyndie. Each of you will hold the memories of the special Grandfather that you have that no one can ever take away. Don't ever think that he won't be with you. I remember reading the message below in a card one time that has always stuck with me that I would like to share with you all. It is titled "Beyond Life's Gateway" There's an open gate at the end of the road through which each must go alone, and there is a light we cannot see, our father claims his own... Beyond the gate, your loved one finds happiness and rest, and there is comfort in the thought that a loving God knows best. May God who calls our dear ones home and grants them peace and rest, give you the strength and faith to say that He indeed knows best. Love to all - Leonard & Alecia Riley###imported-begin##Lenny & Alecia Riley###imported-end##
