“ I'm really sorry for your loss. Me and Bobby went to school together and he meant a lot to me. He was always so nice to me and everyone else. Everyday at school he would come in with a smiling face. If you were sad he was the type of person that wanted to know what was going on and if he could help in any way possible. I actually looked forward to going to school because i had all my classes with him, and i knew that he would make me laugh. You had a wonderful son that had so many friends that loved him and always will. I love you BOBBY you will be missed very much. My thoughts and prayers are with the family.##imported-begin##Brittany Martin##imported-end##

“ I've known Brad since we were five years. I remember when him and all of the neighborhood kids use to hang out and ride dirt bikes and four wheelers. This is a horrible thing, it really is. The family will be in my thoughts. R.I.P##imported-begin##Julie Martin##imported-end##

“ Dear Dj and family, Our hearts are heavy and very sad for you all today. Even though we only got to visit with Brad a few times we knew immediately that he was a great young man with a personality to match. He had a contagious smile and an easy going nature to him that we all found very endearing. It goes without saying that he will be sorely missed by you all and without question no one will ever fill the huge void that is left. No words can express how extremely sorry we are and we want you to know each of you are in our thoughts and prayers. Please know we cannot begin to imagine the sadness you are feeling but please take comfort in knowing how very lucky you all were to have had such a special young man in your life if only for such a brief amount of time. Each of your lives were certainly richer for having Brad in them. We are here DJ if you need anything at all. We love you very much and take comfort in knowing that your little brother knew how much you loved him. Love and prayers to you all.
