“ I am very saddened by Brads passing. He was such a great guy and will be truly missed by the many, many people who knew him. Growing up with Brad, Randy, Barry and the others in the neighborhood was a really wonderful blessing. We had such really great times and i have always been so grateful that we had the Tucker Family as our neighbors. All the Fun we had, seems like there was never a dull moment and there were no ones better to share those moments with than the Tucker boys. Brad was one of the older guys, never was without a smile on his face and was always fun to be around. He was always so good to us younger guys and he always had our backs when we needed him. He was one of the nicest guys I've ever known and we all had a lot of respect for him. R.I.P. Brad and Thank You for the bright spot that you left in our lives. I know that you are now with your dad and you are both having a great time catching up with each other. Sending my love to Mrs. Tucker, Randy, Barry and Brad's Children. I know you are in a lot of pain right now and my prayers are with you for the Good Lord to hold you in his comforting and healing hands. God Bless each of you,

“ My high school years were filled with Brad. Him and Bill mitchell would come out to see me and Pam and end up playing jarts in the the backyard with my dad and Roger Watkins, our neighbor. We had a lot of fun times together. I remember so well him going into the Coast Guard with Terry Page. Time does march on but i will never forget Bradley Marshall Tucker. “ I have fond memories of Brad in high school and afterwards. Although we didn't keep up over the years, I'll always remember his smiling face and great personality. RIP Brad.

“ I am so very sad to hear of Brads passing. Most of my memories of growing up are centered around things that Brad and I did while roaming the mean back streets of Ravenna, Ohio. It is hard to think of a time in those days when we weren't together. We even went into the service together. Life moves on, and takes you down separate paths, but Brad has always been a significant and permanent part of my life story and takes up a large space in my memory banks. I will always be grateful for those memories, and for those years of growing up with Brad. He was a wonderful person, and a great friend.

My heart goes out to Betty, Randy and Barry and all others who's lives were touched by Brad.

“ All - I was so sorry to read of Brad's death -- I have such good memories of life on Lafayette Street and all of you as our neighbors. I can still - in my mind's eye - see the three Tucker boys and Steve playing together. Please know that you are in my thoughts and prayers.
