“ *Brayden, your Aunt Donna loves you more that you could ever know. I am so thankful for the 4 days that I got to hold you, kiss and love on you, and our bonding time. You will forever be in my heart and I am so proud that I got to be your aunt. I will see you again one day and I will hold you in my arms and rock you to sleep like I did before you left us. My life will never be the same because you were in it. I am so blessed to have you, even for a short time. I love you my little angel boy.*

“ My sweet, sweet angel baby. You will forever be in our hearts. That crooked little grin makes my heart melt. Knowing that you are at peace gives me comfort, but oh what I would give to hold you in my arms once more. I love you so, so much Brayden. I am now a proud big sister-in-law to a beautiful angel baby. ♡
