“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ *I am very saddened to hear the passing of Breck Todd. All my memories of him and his sisters were during a very young age. My family spent time at his parents house many times, for cook-outs and just good old family gatherings. I pray for comfort for his family, friends, and all that knew him. May you rest in peace, Breck...*

“ I have many memories of my cousin. My first memory was how I was afraid of him but then he stated to pick on me. I was about 3 and he was was about 17. I discovered that day he was not like the Indians in the movies but he was a lot of fun with a big heart. He stayed with us for a while when I was a teenager and we were able to really bond at that time. There is more that I could say but the most important is that we shared as special bond even if we did not spend a lot of time together. Breck was a special person worth a big heart. He will be greatly missed by his family.
