“ Aunt Joyce, I don't even know how to explain the kind of incredible woman that she was. When she walked into the room she lit up the whole entire place with her humor, her smile, and her gentle love. I will always cherish the memories that I have in my heart! I know you are dancing with the Angels and until we see each other again I love you always.. 😭 also, I'm here for you family, Valerie and Jerry whom are like family to me....I love you very much! I'm here for y'all! Just a call away!
