*Bud and I knew Brenda for over 17 yrs, Whenever she drove by the house, she always had a great smile and said hello. Her battle with cancer is over and now when you see a star at night, that would be Brenda smiling down---her way of saying hi. Now there is another Angel in heaven....Prayers for her family are sent.....Rest in Peace Brenda*

*Brenda was a very special person to me. She was always there for Steve who is her son-in-law. She treated him like he was her son, and never let him down. I am so grateful that she took him "in" when I could not be there as I live in another state. Brenda had such a giving nature, and a good sense of humor. I will miss her so much and am grateful for having her in my life even though we lived miles apart.*

*Rest in peace, my dear friend. You showed strength and courage throughout your illness and passed with dignity. Heaven has just gained an angel!*
