“ Joan had such a great wit, pleasant personality, and caring attitude. During the past several years I enjoyed so much visiting with her at the produce stand. She was so good to my family when they would stop by. I had the opportunity to send her a turkey leg from the State Fair. From her thankful response, you would have thought that I had sent her the winning \$600 million dollar lottery ticket ! She is and will be missed.

“ Aunt Joan was surly one of a kind! You and everyone else knew the moment that she walked in the door. She didn't have any children of her own but every single niece and nephew was just like hers. I don't know of a one of us that she didn't teach how to drive a car underage. If I could only say one thing about her it would be she loved her family and their spouses! She will be greatly missed by everyone.

“ I worked with Brenda at the Post Office from 1988 until her retirement. I got to know her as a fellow worker but more importantly as a friend. She was genuinely a wonderful person who was unselfish. She loved her family and her friends. I will miss her terribly. My heart goes out to her large family.

“ Joan was one of my best friends in high school. I moved away and only saw her occasionally. When we did see each other, we just picked up where we left off and caught up. She was always so kind to my daddy when he stopped at the produce stand. He loved seeing her there. She will be missed. Loved her. Dianne Skipper Pate

Joan was a special person. She will be missed by so many people. We go way back to high school and the times I would go over to their house. June was my best friend in school so we would all be together. Memories that I will cherish. It won't be the same driving by her produce stand on 501 and not seeing smiling face . Prayers for all the family that God will give you comfort and strength during this time. Remember Joan will always be with you all in your hearts. 🙏💕

Just talked with Coke. We are very sad to hear of Bink's death. She was a lovely person and always trying to help her friends and family. She had a devilish sense of humor. I don't recall ever spending any time with her that she did not make me laugh. She will be missed.
