“ I was so sad to find out that I had lost one of the best friends I have ever had. My memories go all the way back our first days at Horry Elementary school. And how proud we were when we graduated from Aynor high. We spent some great times during those years and so many more after high school. I was lucky enough to spend some time with Bret a few weeks ago and I am so glad that we able to speak for a while together. I will miss him forever. “ Ms. Betty and Family: I don't know if you remember me, but my Granny kept Bret as a little boy. I remember Bret as being the sweet, cute, playful little boy that my Granny loved like he was one of her many grandchildren and we also loved him like he was family. I just found out late last night what happened and wanted you and your family to know that you all are in my thoughts and prayers during your loss.
