“ *My condolences to the family of one of the nicest people one could ever hope to meet! Met Steve at Horry- Georgetown Tech in the criminal justice program back in the mid 70's and had classes together. He and Pat Sullivan were friends and just very likable Conway folks to share classes with. We all ended up in law enforcement at different times in our lives and different places, but I'll always remember the friendships gained during college days.*

“ We are new to Steve’s life.....as we are WILD WING residents. Steve was so helpful with a couple of household dilemmas. Steve was always so friendly and kind. Al and I only learned last week that Steve was ill, we had not seen he around.....very usual. Today, we learned that he had passed away. Unbelievable. We are shocked and feel so bad for his family....we will miss him, can’t imagine the loss for his family. Please except our sincere thoughts of sympathy. Regards CB Eagan & Al Gagliardi

“ I worked with Steve at the Horry County Police & Sheriff's Office. My heart is breaking at the news of his passing and for the difficult times ahead for his family. He was so proud of each of you and I'm sure he's smiling now at the wonderful life that he was blessed to share with you.

Every day at the office, Steve always had a smile on his face and a story to tell. He was a great storyteller. He was a devoted officer/deputy and his service is much appreciated for helping make our community safe. He will be greatly missed by many.

My deepest condolences are with his family. You are all in my prayers. God Bless You!!

“ I worked withh steve for more than 16 years with Horry County law enforcement. I originally worked in law enforcement on Long Island and Steve taught me a lot about policing in the south. I learned so much from him. We shared many laughs together. We were a great team. I have nothing but fond memories of all the time we spent together.

Rest in peace my dear friend. On my last day we will be united again in the presence of our Lord.

“ Steve was such a good influence in my life. He was my brother in blue and my Masonic brother but more than that he was my mentor and friend. I never had a moment's fear knowing he was gonna have my back. So much more I could say about what a man he was but he would just want me to grin when I think of him and know he is with the lord now.
