“ *Losing my step -dad Brian is one of the most difficult things I have ever experienced. He was such a wonderful person and he will surely be in our hearts and memories always. I especially loved the way he was to our son Sawyer !! Brian always lit up Sawyer's day...he made him eggs in the morning before he went to work when mom was watching him and Sawyer loved to help him feed the birds and the squirrels !!! Brian was truly a blessing and an angel in disguise. Now an angel in heaven and a guide for us all, we love you Brian !!!*

“ *" The hurt of losing my husband will never go away. There are times I feel him all around me, but mostly I just feel loneliness. I didn't know anything could hurt so much. Brian, I will ALWAYS love you and miss you. I hope and pray to see and feel you daily. I love you! * * *-you know what that means!!"*
