“ Timmy, I tried to post last night but apparently didn't go through. We were devastated to learn about. Brianna. I can only tell you to trust God in times like these. We don't understand why things like this happen but we can only have faith that God makes no mistakes. The pain is still there but I pray you can find peace in the midst of this storm. We love you and your family.

“ *Timmy Earl,
I am so very sorry for your loss. I know there is nothing I can say or do to relieve your pain at this time, but I want you to know that I'm thinking of you and will be praying for you in the days, weeks, and months ahead.
Again, I am so very sorry.*
