“ *It seems we always came round to talking about music, whether 20 years ago in the Longshot days or just last week. Your unselfishness was matched only by your enthusiasm; your sincerity, by your genuine goodness. I never got around to taking all your recommendations, but I'm working on it. Right now, Mahavishnu Orchestra, Birds of Fire, is playing for you.*

“ *I will always remember Britt as the coolest person on this earth - he hadn't changed a bit when I saw him 2 yrs ago after not seeing him since 1991. Well - maybe the hair was just a wee bit longer than I remember. :-) Rest in peace, my friend.*

“ *My favorite memory of Britt was just a few days ago actually his birthday. He ate a whole red velvet cake all by himself. He was sick for two days. But, he was happy.*
