“ *I was so sorry to hear of Brittany's passing, that is so sad such a tragedy. I remember Brittany when she was just a little girl in the alley. The girls used to come sit on the porch with me and we would just have girl talks. They were so sweet. Brittany was always such a sweet little girl. There is nothing to say to ease your pain, keep her memories within your heart and she will live on through you. Please tell Vince I am so sorry for his loss too. He must be devastated as well. I remember how nervous he was when she was born. God bless you Chris and your family at this terrible time. RIP Brittany.*
