“ *Although we do not know Bronson, we know his son Scotty well and have pleasure to work with him over the years. As a father is reflected through his children, we know what a good, kind, and loving man he must have been, and provide our deepest sympathies to Scotty and his family during this difficult time.*

“ Bronson was a dear friend and compadre at Santee Cooper. He was always a joy to talk to and always brightened my day. I had the pleasure of knowing him for almost 24 years while working there. He will be remembered by me as a person who let Christ's light shine through good times as well as bad. May the Lord richly bless the Edge Family and may we look forward to being with Bronson again in that Heavenly Place. Amen.
