“ It's been almost a year and I still can't believe you are gone. I cried almost as much as I did when my mom died. Even though I hadn't seen you in a while you were still like a second mother to me. I miss sleeping over watching movies with you and Cory. I miss you like crazy and I'm trying my best to help Cory through this. I love her like she is my own sister. I promise I'm trying Brooke. I love you. I hope you and my mom are proud of your two girls. <3 rip beautiful angel.

In your sorrow, may there be peace....In your thoughts, may there be love....In your hearts, may there be healing. Psalm 147:3 promises: “He is healing the brokenhearted ones, and is binding up their painful spots.”

“ I went to school with Brooke for quite a few years. We reconnected on Facebook and talked more there than we ever did in school. I was lucky enough to see her on one of her visits to NH. Rest in peace Brooke. My thoughts and prayers are with her family and children.

“ Brooke will always be remembered for the short time I lived in Sandbornton we were in the 6th/7th grade. We were always in trouble but this girl never judged me or made fun of me for the only 3 outfits I ever owned. She was always nice to those that had less than her. Over the years I had lost touch and about 15 yrs ago I bumped into her up at the Weirs Beach. Her face hadn't changed. Then we then recently a year ago reunited on Facebook. May she rest in peace and be free of all the ugliness this world can be! My sympathies to her entire family and friends.

“ *Brooke,
Your smile, your friendship and your bubbly personality will be sadly missed by all. We cry and wonder why. Only God knows and we trust he has better plans for you. This world was a better place because of you and now Heaven has gained an Angel. To your family, thanks for sharing her with all of us! We were blessed by her presence and mourn your and our loss.*

“ My Dear Brooke,

I will miss your smile that would light up the room, your love for life, family and friends. Your heart of gold will be missed by everyone who knew you. Heaven must have needed another Angel, because I can think of no other reason for you being taken from us; way too soon. You will never be forgotten; ever. You have left an imprint on my heart. Love you, Sista. Until we ride again....
