“ Sending prayers and love from Administration, Faculty, Staff and Students, Saint Jude Catholic School. While we did not personally know Mr. Bruce Barlie, we know his son and if he is anything like his son, he was surely a good man. May his soul and the souls of the faithful departed, through God's mercy, rest in peace.

“ *How sad our lives will be without you Bruce. You came into our lives through Cindy and you left a mark of happiness. Generosity. Kindness. Laughter. And now sadness. Movies were our main conversations. We both loved going to the Movies and often talked about what we saw and what was worth seeing. Bill and I will never forget our drive to Wilmington with you and Cindy as you invited us to a great concert. You will be Missed. RIP Bruce Barlie 🥹*

“ *He will surely be missed for a long time. great memory of going to the yankee game with him. The Yankees were his passion . We had great conversations of what management was doing wrong...he should have been manager. The world lost someone special.*

“ I've only known Bruce a few years but he made an impact on me. The way he loved his family and always seemed to make the most out of every day. His critics on movies helped me choose what to watch and his many pictures of the beach in the morning and pictures of his family showed how much he cared for them. Sending my prayers to Cindy and his family during this difficult time.

“ Our Dear Friend we have spent so many good times together and we are so thankful for them. Our funniest memory was at Laura and Randy's wedding when Jim was teasing you about how tan you were. He said your looking like a leather suitcase. You were a kind and wonderful man and our family will miss you so much! I'm so glad you found your happiness that you deserved. Rest in peace our friend.
