“ Oh how you will be missed! If it were not for you, Tommy & I would have never met & celebrated our 40th Wedding Anniversary last month. You were the Best Man and have remained that in our lives! I'll always remember your laugh, your quick wit and how I got the silly giggles whenever you were around! Rest in peace Buddy. We loved you and will miss you terribly!!!! Tommy & Diane Grooms

“ Bruce was a true friend. We played football together in junior high, worked at the beach together for several summers and genuinely cared for each other's well being and families. We stayed in touch, not regularly, but often enough to know that we were still lifelong friends. I spoke with Bruce several weeks ago and am shocked to learn he is no longer with us. I am a better person for having shared many laughs and cries with Bruce and will truly miss him. My deepest sympathies are with his family who I know will find comfort in fond memories and recollections of his smile.

“ *Barney and I send our condolences to your family. We have been friends with Bruce for 40 years and have treasured our friendship with him. He was in our wedding many years ago. He always had a hug and a great smile when we saw each other. Many laughs and many memories of our times together will be cherished forever! He loved his family and always let us know the latest happenings in your lives. He was a dear friend and we too are saddened by his passing. Our prayers for you that your wonderful memories will bring you comfort at this sad time.*
