“ Our thoughts and prayers are with the family. Bruce was a very good friend of my father, Edward L Smith Sr, who also passed away back on August 19, 2012. My dad would go and visit with Bruce and listen to him talk about his war stories. My father had alot of respect for Bruce. I had stopped by and spoke to Bruce about doing the Eulogy for my father as he was failing quickly, but Bruce declined as he was not feeling very well himself, and that was okay and I told him thank you for being such a nice person and a good friend to my dad. I never in a million years thought that he would pass on so quickly after my dad did. I know in my heart that they are having a nice time up in heaven, just talking about old times and smiling. I am very happy to know that Bruce and my father are no longer in pain and are not suffering anymore. "God Bless You Bruce". And as for your nephew you talked about him all the time, Thank You for loving and taking care of such a very nice friend.

Our hearts and prayers are with you and your family during this difficult time!!

God Bless You and Your Family,

“ *Sorry to hear about Mr. Martin. I remember him as dispatcher for the highway patrol. My dad (D.W. McLaurin) was a highway patrolman for years and thought highly of him.*
