“ Sherry & Family, There are no words to express the sorrow I feel for you at this time. I was so saddened by Bunky's passing and I will miss him greatly. I knew him all my life and twenty-five years ago he hired me at HTC and was my Supervisor for many years...but mostly he was my friend. I hope your children will know just how much he was loved by everyone who knew him. You all remain in my thoughts and prayers. May God bless you.##imported-begin##Debbie Booth##imported-end##

“ When I think of Uncle Bunky, I recall very fond memories from my childhood. I cherish those times, and I feel very fortunate to have know him and had him in my life. It is with both a sense of sadness for the those family members left behind, but also respect and admiration for a great man, father, brother, and husband, that I say goodbye. I will love you always.##imported-begin##Will Jones##imported-end##
