Know this - You gave Bird wings on earth - and a loving home to set his spirit free. There is nothing greater to give someone. Find peace in knowing that you love him - and he loves you. Love does not die - it transcends all understanding and lives eternally. I am so truly sorry for the pain that each of you are going through. Bird will always live in your heart. I can see from your son's obit that he was a leader and I am sure a source of much pride for you. I too have a son who is 21 years old and a Junior at The Citadel. I will not pretend to say "I know how you feel" because I hope I will never feel the pain of such a loss. I do hope your pain is less when you think of all the good times, which I am sure there were many. I have not seen you for many years but you and your family are now in my thoughts and prayers. Although we didn't know him well we do know how much you loved him and can not even imagine the pain you are going through. “ Dear Burney, Sue Ella, Rachel and Mary Margaret, This is a tough time for you and our family's thoughts and prayers are with you during this time. It seems like only yesterday that the kids were all running around together in Cheraw. Jason and Jocelyn were upset at hearing the news about Bird. They both send their thoughts and prayers for you. Don't hesitate to let us know if there is anything we can do for you. All of our love is with you. Tom, Trisha, Jason, Jocelyn, and Patrick Deas###imported-begin##Patricia Deas###imported-end##

“ Dear Burney and Sue Ella, My heart has been broken since I heard about Bird's passing; I can't even imagine what you must be going through. Though I didn't know Bird personally, I can remember hearing many good things about him over the past years. I am praying for your family and asking that God see you through this, give you strength you never knew you had, and a peace that passes all human understanding. God bless you all.###imported-begin###Dollene Hamilton###imported-end##

“ Mary Margaret, I am so sorry to hear of your loss. Bird will surely live on in the hearts of everyone who knew and loved him. This is a quote we thought was appropriate in your time of need, ?In the quiet moments when the hurt is hard to bear, may love become your shelter, and may the beauty of precious memories be your comfort.? May you know that you and your family are being held in our gentle thought and prayer. We love you all and are praying for you.###imported-begin###Meredith###imported-end##
