“ My prayers are with the Marlowe family. I loved ms. Brydie she was the sweetest lady. I will miss her dearly. I think of all the good times growing up and in her class. She loved her sunday school class. She would share stories of all her grand children when I would go over and see her. How proud she was of her family. I felt as though I knew them all just by all the stories she would share about each one. She could never be replaced, God made her special and I will miss her dearly. But I will look forward to seeing her again.. Heart felt prayers to each of you. May God give you strength and comfort ...Love and prayers Kay Todd
