“ *Saddened to hear about "uncle" Perry. I have soooo many memories I couldn't possibly name them all. I do remember once when we were kids and uncle Perry was making dinner and the menu was shrimp and I proceeded to gripe because I didn't like shrimp and you know what uncle Perry did? He made shrimp and told me to eat it cause it's good. Don't remember what happened next I just know he was right. I love me some shrimp. Gonna miss you uncle Perry. When you see daddy tell him we love him.*
