“ Mr. Ray was a Southern Gentleman. I have always heard his name in many gatherings and was a phenomenal business man. Did so much for the Family of the company that he worked for those 53 years. He was such a wonderful family man to his children, grandchildren and every one he came in connect with. I will keep Gay and Junior in my prayers and the extended family. He will be missed but has gone to a better place and out of pain. 🙏

“ *Ray had a huge smile for everyone and a huge sense of humor. A very out going personality. I was not fortunate to know him as he served at Maple, however it showed in how everyone greeted him when he came for events such as Homecoming. When he arrived...you knew he was there. A gentle soul who loved his family. Sympathies to the family.*
