“ I can't put into words how special you are to me, I just thank God that I was able to have you in my life. I can honestly say that you will never be forgotten. You were the best friend, I can say that because you showed me the true meaning. You had the biggest heart, always willing to help anyone in need. I loved you so much and always will. I'm trying to hold back tears. I know you wouldn't want that. I pray that God will be with your mom and keep her strong and give her peace and let her know that you are safe with him now. I know how much you loved your kids and since you're with Jesus now you help keep watch over them and with the lords help I will do my best to stay on Gods path and live a christian lifestyle so when my time comes I will see you heaven. TO:kami's family, Matthew 11:28-30 Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light. May God give you peace during your time of lost. my deepest sympathy. Avita Osborne.##imported-begin##Avita Osborne##imported-end##

“ Flora and Christian, Know that Ron and I are praying for you! If we can do anything let us know! You know God never promised that things would be easy, but he did say help would always come in time. I think about this verse: "God is our refuge and strength, an ever-present help in trouble. Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea." Pslams 46: 1-2 Ron and I love you both!##imported-begin##Jessica Revisky Johnson##imported-end##

TO MY SOMEONE SPECIAL: There's so much in my heart that I'd really love to say, yet no matter how hard I try, I just cannot find a way. The kindness in your heart, words can never convey, you made this world so beautiful, in such a special way!!
