“ Dear Joan and Family of Douglas Anderson,

Alice and I were saddened to hear of Doug's passing. I spent many hours with Doug just

hanging out or playing sports with him in West Brighten, S.I. in my teen years. Then later

we had some really good times together at Wagner College, socializing at parties with

our group. Doug was always friendly and the life of the party. We had a lot of laughs

together. We were at your wedding and enjoyed those moments with you before you

moved to New Jersey and we moved to Texas. We have often thought of you and Doug

and wondered how you and your family were doing. We send our love and prayers and

hope it helps to know that in your time of grief. We are glad that you had a good life

together.

.

Sincerely,

Jack and Alice Burke
