“ We cherish Carl's memory. He spent many nights at our home when he came to the Ga. Pacific Plant in Warrenton. he would bring a bushel of oysters to Johnny and our young daughter would eat them as fast as Johnny could shuck them. He stopped by last Christmas for a couple of days on the way to Atlanta to see his son. It was a very special time, as he got to visit with our son and daughter's family as well. Thanks for calling and letting us know. We wish we could make the service, but i am committed to direct a wedding for a family friend, but please know that we are thinking of you.
