Carl Johnsen - A Good Man

Carl Johnsen passed away peacefully on April 28th 2024, in Murrells Inlet, South Carolina. Known to his family as “Pop”, Carl was born on November 11, 1936 to Dot and Carl Johnsen in Staten Island, New York where he grew up and raised his family.

Carl graduated from Curtis High School. After graduation he enlisted in the United States Army to serve his country. He was stationed in Germany. Upon his honorable discharge, Carl began his career with the New York City Department of Corrections, working at the Brooklyn House of Detention until his retirement 23 years later. Carl began a second career with the United States Postal service where he retired after 10 years.

Carl loved the game of golf. He was a proud member of the Esquire Club in Staten Island until he moved to South Carolina with a bunch of his golf buddies so they could play year round.

Carl was an avid sports fan, cheering on the New York Rangers, Giants, Yankees and Knicks. But what Carl truly loved was his family. He always put family first. If you needed something, it was done - no questions asked. He was the best father, husband, grandpa, great grandpa, son, brother, uncle and friend. He will be truly missed by everyone and anyone who had the pleasure of knowing him.

Carl is survived by the love of his life, Josephine Nastasi. They were together for over 35 years - truly soul mates. He is also survived by his children: Gregg

[Suzanne], Paul [Debra], Donna [Nick]; his step children: Leticia [BOBBY], Albert [Kathleen]; his 13 loving grandchildren; 3 loving great grandchildren and many loving nieces and nephews.

Carl was predeceased by his first wife, Joan; his brothers: Richie and Bobby and his grandson, Robert who he had a very special bond with and loved deeply.

His Family would like to thank his many friends for all the love and support they provided him over the years. In lieu of flowers or gifts, please make a donation in the name of Carl Johnsen to St. Jude's Children's Hospital or to the Stephen Siller Tunnels to Towers Foundation.

Dear Pop:

We are forever grateful for all your love and support through the years. You were always there when we needed you. We, your children, would not be the people we are today without your support, love and understanding. We truly hope we made you proud. REST EASY POP. LOVE YA

“ We LOVE you Pop. NEVER going to forget you. Noah almost cried when he thought of the times you gave him arcade money. He always appreciated how you were fascinated by his memory of facts. We will MISS YOU a lot, but we know your with Jesus, and because of that, closer to all of us now. Say hi to Dad and Robert. We will all be together one day having a quasi beer and Strega. Respect! Prayers coming your way from Albert, Kathleen, and Noah :).
