“ I would just like to say Carl was too cool! He always held a good manly conversation, weather it was about the war, Exxon, or his awesome wife Elsie. Carl will be missed but certainly not forgotten. The stories told to me by Carl were always funny or very interesting. He seen a lot, and told it all. Im just glad I got to know this guy in the last year. And for Carl I know this. "those who walk uprightly will enter into peace..." Isaiah 57:2. Carl I'll see you there my friend.

“ I am sorry to hear of your loss. The death of a loved one is one of the most devastating experiences a human can face. At times, the loss can seem unbearable. The Bible teaches: "God is near to those broken at heart." It also says: "Throw your burden upon God himself and he himself will sustain you." (Psalm 34:18 and 55:22) I hope this message will help you cope with the loss of your loved one.
