“ Ms. Faye, Bryan and Mark, Candice and I send our heartfelt condolences to you and your family. Mr. Carl will always hold a special place in our hearts for he taught us what it means to be an outstanding father and husband. He taught us it's better to give than receive. He personally ensured I was as much family as his own. There was always a seat at your table. I cherish the poolside bbqs, fishing, water skiing and games of Trivial Pursuit we shared at lake Santee. Even when he caught me eating his meatloaf sandwich that he set aside for his lunch, he flashed that trademark smirk to let me know it was OK. He provided fatherly knowledge and wisdom to me when I needed it most. R.I.P. Mr. Carl! From our hearts to yours,
Love Kenny and Candice
