“ Barbara, I'm so sorry you're going this pain. God used you to keep him alive and going - giving him at least 15 extra years. I admire your love and stamina as Carl's wife and caregiver. He is running and laughing in heaven right now and knows you are protected because he's in the mind of Christ. I love you and praying for you.

“ I don't believe in faith or have chance I believe in God's amazing grace and plans. Carl Wise and Wilbur Lewis Edwards were cousins. From the side of William Graddy Edwards family. They both passed away the same day and are with God now together. Lewis thought the world of Carl and would visit him periodically. I am so glad they have a chance to be with one another once again, we're praying for the family and for all those who loved and appreciated Carl . He was quite a man we love you.
