“ *We first met Carley when she and Mark moved next door to us over 18 years ago. She has always been not just a neighbor but a very good friend and the nicest, kindest person anyone could be lucky enough to know. We will miss her special knock at our front door only to find that she had scurried away and left some kind of goody behind. I will especially miss our chats over a cup of tea. So many memories of her will be missed. Over the years we have gotten to know her children, Mark, Bruce and Gretchen and their families very well and our sincerest sympathy goes out to them. Their Mom was a truly wonderful, caring person.*
