“ My memory of Carmela is unfortunately recent as we moved to Pawleys island 2 years ago... but I felt like I knew her so much longer! She shared stories of her growing up, married life, dancing and the undeniable love for Annamarie, Steve, grand kids and great grandkids. She made everyone smile, especially Dad! Love you forever Carmela!

“ Anna Marie, Steve and family,
Words cannot express how sorry I am at the loss of Aunt Carmela. My childhood memories are filled with fun filled Saturdays when she dressed us up as bridesmaids when she was supposed to be cleaning. The summer vacations every year down Wildwood were the best! Holidays and Sunday dinners were made extra special by her funny antics. She and Uncle Gussy treated all of us kids as their own. I so appreciate that I got to have meaningful conversations with her recently, she helped me more then you know! May she be dancing in heaven with the light of her life!! Love you Aunt Carmela!

Anna Marie & family, sending our deepest condolences. I have so many wonderful memories growing up in your home with many sleepovers and all the fun we had with your mom & dad, they were the best. We were blessed to be brought up in such a loving wonderful family. Can't forget us all piling in grandmom's house for Christmas Eve dinner. Still I think my favorite memory is when she would say to us kids to cry for her so she didn't have to do the dishes. Those days & memories will always stays tucked close to my heart. Thanks for the memories Aunt Carmel, sleep tight. Love, Barbara & Bobby Arrison
