“ Penny, just found out your sad news. (I don't have internet at home.) I'm sooo sorry for you. And I didn't know Scott's dad had passed too. I hope you have lots of support - Maxine will be there for you. My prayers and thoughts are with you and your family.

“ Oh Penny - I am so sorry to hear of your loss of Scott and far too early. I remember how very happy you and Scott were when you found each other and so wish this could have been for much much longer. I did not realize that Scott was so ill but if this alleviates his pain and suffering then I guess we have to let him go with God and into eternal peace without pain and suffering. I wish I could be closer and more supportive for you- please take good care of yourself and let the beautiful memories that you had together sustain you during this tremendous time of grief and sorrow. I am in Scotland on a bit of a holiday so late to pick up the news. Hugs , prayers and much love your way. 🙏🌟💕💕
