“ Loved Diane! She always had a smile in her face and always wanted to have fun! But aside from that she was a beautiful Christian witness for her Lord Jesus Christ and helped many others to receive Him as their Savior. Our prayers for peace ascend to the Lord for Bernie and all her children, grandchildren and all who loved & will miss her.

“ Prayers for the family. Diane was one special lady. She was the Lt, at my corps when I was a teenager, Diane was a great influence on my life as a teenager. Our paths crossed many times through the years and she was just the same as when I first met her. Diane always had a smile and kind words to all she met. Diane now stands with the Savior whole and complete with our Lord.

“ The last time I saw Diane (at the Courageous Session 55th Reunion at Camp Ladore), she pinched my cheek and kissed me twice, just in case she never saw me again. But we will meet again! "What a day or rejoicing that will be". Our paths did not cross often during the years, but the friendship begun in training was always alive. She and Bernie were in our wedding. During the ceremony, she got too close to the candelabra and her hair caught fire. I don't remember what she did to put it out. But I pay tribute to a loyal friend and look forward to the day we meet again!
