Carol will truly be missed by so many. She was a beautiful woman who loved God and others. She was always a sunshine of light to be around. She led our bible study group in their home, and she was always happy to see everyone as she and Rick opened their home to us all who wanted to come. She is home now where she is having the time of her life in a new perfect body and Praising God 🙏❤️

Who is now going to replace all those divots on the golf course? I will surely miss golfing with her. She was always there in rain, shine, wind, or cold! Our sympathy and prayers to the family who will surely miss her and all the food she was always making and taking somewhere.

“ *A beautiful Lady who had a heart of gold. Her middle name could have been "The Organizer" as she could always be counted on to plan something. I think she loved a party. Met Carol and Rick so many years ago in East Hartford and they were such good neighbors*

Our hearts go out to Rick , Allison, Amy and their families as we offer our sincere condolences.

“ Condolences to Richard and the family. Carol was a classmate at Newington high school. Her family was also on my paper route and Carol had to rein in her attack cat so that I could leave the paper on the back porch. She also saved my bacon at the senior banquet when she stage whispered the beginning of a verse that slipped my mind While Dave Deming, Don Chaput and I sang a Kingston Trio tune.
