“ Carol was such a delight to be around. I joined Seraphsong a few years ago. She was always so friendly and very easy to talk with. She will be missed by so many. She had a beautiful strong voice. I know she is singing in God's heavenly choir this Easter Sunday. Prayers for her family as they adjust to life without her.

“ I just wanted to send my condolences from the SeraphSong,, singing women of South Carolina. Carol was a very special lady and a valued member. Her positive attitude and joyful spirit was an encouragement to everyone. She will be missed, but we have confidence that because of her faith in Christ, she is with the LORD! God bless and comfort you, Julie Dail, President of SeraphSong

“ It is impossible to list only one memory. We had been friends for over forty years. Carol was always happy, laughing and so much fun to be around. We enjoyed ourselves walking on the beach, riding rides at Dollywood, going on an Alaska cruise (leaving others in the room if they didn't want to participate with us!) and going to Serph Song concerts to name a few. She would stay at my house when the concert was close to us and a lot of the time I would go with her. We were as close or closer than sisters. Everyday we texted to just keep in touch. Carol loved life and her family. She was a devoted advocate for children. She loved talking about her kids through family and volunteer work. I will miss her everyday!

I am very saddened to find out that carol had passed away and had no idea until now. She was a wonderful advocate for one of our foster children and was so extremely wonderful with the kids! But besides this she was just a good person who brightened my day. Rest In Peace Carol and know you will be missed

“ I loved Carol. She was truly Mr. Dunaway's "other half" - his better half - and the light of his life, as he described her. I couldn't wait to meet the lady who transformed my hero's face into a full smile when he talked about her. I was blessed to be reunited after many years with Mr. Dunaway (my high school band director from Woodruff, SC) - and he couldn't wait for me to meet his wife. We became quick friends, as we shared a love for music. I admired her love of children, her devotion as a teacher and loved that she wanted to protect children even after retiring from the school district. She inspired people. She inspired me. Carol has left a gap in our society - she will be loved and missed forever by the rest of us. I was shocked and saddened to hear of Carol's death, and I hate that I cannot be of support in person to her family at this time. Prayers over you all as you face the coming days, and prayers for your continued health and safety. May God's hand of protection be upon you and may every person you come into contact with be the hands and feet of JESUS.

“ Aunt Bunny,

Thank you for giving so much of your time, your love, and your life to me and all of your other nieces and nephews. Whether taking us out to dinner, going yardsaling, hunting for the perfect piece of green glass, attending our graduations and weddings, driving across the country with us, or taking us to historic landmarks - you are going to be sorely missed. You showed me what it means to live life with Jesus. And I know you are with Him now, and I am so blessed to have had you in my life.

“ Carol made it her life's mission to make the lives of children better... first as an educator and then as a Guardian ad Litem in Horry County after she retired. Since April is National Child Abuse Prevention month, I light the blue candle... the color we wear in recognition of those voiceless children who benefitted from her love and care. My condolences to her family!

“ Carol and I go back to the days of piano lessons with Mrs Isabell Pitts. She and I played duets together at recitals. Then she married my cousin Robert. Then she and I both sang Alto 1 in Seraph Song. Our lives intersected st various intervals. I will always remember her vibrant personality and her infectious smile. She and Robert are now together and singing praises in God's choir. She will certainly be missed. You all are in my thoughts and prayers. I ask that God comfort you in your time of loss

“ *Carol was a treasured older cousin and, and ever present mother, sister, niece, and friend to our family. Her kindness, sensitivity and, sweet personality, always present at gatherings great and small. She was the much wanted first daughter, and granddaughter out of the many male children of the Dailey family. Her family position valued and unique as she waited patiently for additional female relatives to arrive on the scene. She was a hospital older cousin who was thrilled when Janet, Beth and me providing the much needed reassurance of her worth as a female, a unique and cherished family member. To Andy, and her brothers, sister-in-laws, students, band members, I send my heartfelt condolences and validation of her life. A life well lived, a life shared with those she valued, adored, and loved. Her strong faith points to the direction of the next phase of transition to be with her much loved heavenly family. I celebrate her reward i heaven. Peace be with you all.*

“ This saddens me to learn of Ms. Carol’s passing. Mr. D was my band director from 6th grade through 12th grade at Green Sea. That is how I knew Ms. Carol. Mr. D and Ms. Carol took us all under their wings and treated us as if we were their own. I recall band competitions, parades where she’d be there to support with a kind smile and that cheery personality. She was one in a million and she never forgot anyone no matter how much time passed between communications. She will never be forgotten.

My condolences to all Carol's family. She will be sadly missed by so many. Carol was positive, supportive, and had a wonderful sense of humor. She thoroughly enjoyed giving of herself and did so much good for others. She had a great smile and contagious laugh. She named our pool group the "Mermaids" and we spent many happy hours both in and outside the center. It is a comfort that she was a woman of faith and is with the Lord.
