“ Dear Joseph and Family: My sincere condolences to you & your family in the loss of Carol. It doesn't seem like it has been that many years ago that I would see Carol almost every day when she worked at Conway Hospital. We had the same lunch time. She was such a sweet, easy going person, nice and always greeted everyone with a smile. After connecting the two of you, as well as recalling attending Conway High School some years back with you, it was quite interesting to learn that our children attended high school together! Please know that my thoughts and prayers are with you and your family during this special time. God Bless.##imported-begin##Tessa G. Edmondson##imported-end##
